In consideration of the Town of Byrdstown undertaking the financing and construction of a waterworks system, I agree that I will cause the property described below, which is owned or occupied by me, to be connected with the waterworks system at my property line and I agree to begin using the water immediately after being notified by the Town of Byrdstown that water service is available. I further agree to use water in accordance with the rules and regulations of the Town of Byrdstown (copy given upon request) and to promptly pay for the water at the applicable schedule of rates.

It is understood and agreed that a tapping fee will be charged to applicants subscribing for new water service (See "Schedule of Water and Sewer Rates" for tap fees.)
